

Mikołaj Słupiński

Curriculum Vitae

Education

- 2015–Present **Bachelor of Computer Science**, *The University of Wrocław, Wrocław.*
2015–Present **Bachelor of Mathematics**, *The University of Wrocław, Wrocław.*

Experience

- Jul 2017 - **Engineering Intern**, Opera Software ASA, Wrocław.
Sep 2017 I worked on Opera Mini browser for Android devices. The main goal of the project was to develop a fast and lightweight web browser oriented towards developing countries. Detailed achievements:
- Had a first encounter with real-life product development.
 - Learned Android development.
 - Acknowledged basics of writing efficient and maintainable code for mobile devices.

Volunteer

- Sep 2016 **Lecturer at std::curie Programming Camp**, II Liceum Ogólnokształcące w Gorzowie Wielkopolskim, Gorzów Wielkopolski.
I taught programming during the std::curie Programming Camp for high school students.

Projects

Academic Projects

- 2015 **SimpleSniffer**, University of Wrocław, Wrocław.
SimpleSniffer as the name implies was a network sniffer written entirely in C.
- Detailed achievements:
- Learned many things about socket programming.
 - Realized the importance of checking memory leaks.
- 2016 **Theorem Prover**, University of Wrocław, Wrocław.
Theorem Prover was an automated theorem prover written in Prolog.
- Detailed achievements:
- Learned a lot about logic programming.

2016 **ALGOL16 Compiler**, University of Wrocław, Wrocław.

A small compiler of ALGOL16, a programming language written for academic purposes. Program was written in Prolog.

Detailed achievements:

- Learned a bit about low level programming.
- Realized a complexity of compilation process.

Computer skills

Basic HTML, functional programming, ANDROID, x86 ASSEMBLY, Data Mining
Intermediate JAVA, PYTHON, C++, L^AT_EX, OpenOffice, Linux, Microsoft Windows, OOP
Advanced C

Languages

Polish **Native**

English **Advanced**

Conversationally fluent
